Welcome Participants, Families, and Friends!

On behalf of the citizens of the City of Jefferson, I want to extend to you a most sincere welcome!

We are very proud to host the Forty-first Georgia High School Olympics. This event could not have happened without the hard work and cooperation of the Jefferson High School staff, the Jefferson Board of Education, the Georgia High School Association, the Jefferson Track Club, and the many volunteers who work tirelessly each year to make it a success.

Again, welcome to our city, and we hope your visit to Jefferson is enjoyable, and we look forward to seeing you again next year.

Sincerely,

Mayor

THE SPIRIT BEHIND GEORGIA OLYMPICS

FORTY-ONE YEARS AGO a proposal was made to the Georgia High School Association that championships for all five classifications be held at one location at the same time. It was guaranteed that recognition of excellence of effort and accomplishments would be effectively done. The proposal was accepted.

Cooperatively, it has worked beautifully. Many new records are set every year and All-American performances are becoming more numerous.

Better trained athletes and better coaches are basically responsible. It is firmly believed that the environment of beauty,

efficiency and consistency provided by GEORGIA OLYMPICS has had a share in the tremendous improvements in high school track and field. This program booklet carries both current information as well as a wealth of history that helps to make GEORGIA OLYMPICS the **NATIONALLY RECOGNIZED** athletic event that it is.

The community of Jefferson enjoys sponsoring the meet because it knows the expensive effort benefits young people. The community provides many medals, trophies, and other awards which have become a part of the **TRADITION**.

Morris M. Bryan, Jr. 1919 - 1984

President, Jefferson Mills 1948-1984 Co-Founder, Georgia Olympics 1972

A Life Dedicated to and Lived In the Pursuit of Excellence

Morris Bryan died at the age of 65. His life was full of accomplishments and recognition for those accomplishments. He was an intense man. When he believed in something, he pursued it with unequalled energy and enthusiasm. When he had an idea, his mind was capable of creating the picture of the completed project, including the mechanics by which the idea could be developed into reality.

The dreams were heavily weighed by their fairness and benefit to others. He disliked the limelight of headlines and many times would give credit for success to others. The idea and dream of Georgia Olympics was his. He believed in it. It was one of the highlights of his life — worked on, studied, continually improved, always devising ways so that others could share his enthusiasm for the event and the sport of Track and Field; adding ways in

which the achievement of excellence could be recognized. Why?

To set goals and work at their fulfillment or attainment. To pursue excellence. To champion winning as opposed to the acceptance of mediocrity. To foster teamwork and motivation. To create and encourage the desire for one's personal best in all things. To foster good sportsmanship. To reward or recognize excellence. To encourage competition to the end of more and more excellence. To bring together athletes, coaches, spectators and community in the pursuit of that which benefits all. To teach "suck it up and go" in the face of disappointments and hardships.

Morris Bryan was Georgia Olympics and the event is Morris Bryan. Though the dreamer is not present, the dream lives on. We share that dream. As long as we are honored with the opportunity to host this event, we pledge our personal best effort every time out!

"Mr. Starter, we're ready when you are. Thank you — very much!"

The Morris M. Bryan Memorial Trophy is awarded each year to the athlete who is the outstanding performer over all sessions and classifications of Georgia Olympics.

Thomas M. Bryan, II 1927 - 2005

A life dedicated in celebrating gifts to others.

Tom Bryan would not approve of this recognition. He would have actively sought to have it suppressed. His name never appeared in this program before, because he would not hear of it.

Tom Bryan shunned the spotlight, always believing that all are called to serve quietly and without fanfare. He loved nature and respected his place within, for the same reason. His infectious laughter was a renewal of spirit to all who heard it, often in midst of his own pain.

The Spirit of Georgia Olympics was a shared affair between Tom, his brother Morris and the community of Jefferson. The idea worked because they wanted to bring together the best athletes in the state so all could see and be exposed to each others efforts. The statement was born here, "That exposure to excellence prompts excellence." It also worked because no one here sought the recognition, heaping it instead on the competitors, past and present.

Morris was the voice of the Olympics, but he often referred to Jack Keen and his brother Tom as the heart and soul of Georgia Olympics. Greatness is never worn by those that are; rather they seek anonymity, thereby showing others the path to greatness.

As you enjoy the performances of these great athletes and celebrate their accomplishments, victories and personal bests; join with those of us who knew Tom and Morris and thank them for their lifelong dedications to the pursuit of excellence.

Rebekah Bryan

Rebekah Bryan's love for track and field and athletics in general started at an early age. Her step-father was the legendary Georgia Tech football coach and athletic director William A. Alexander. She grew up spending much of her time at athletic events and with the coaches and athletes participating in them. Rebekah's work with Georgia Olympics began with its inception and was always a labor of love. For many years she spent countless hours preparing for the event. Before the advent of the personal computer she meticulously filled out index cards and assigned numbers to all the competing athletes at the Olympics. It seemed every flat surface at her home was filled with the information needed to reward athletes for their individual performances. In the early days of Georgia Olympics, she hosted a social event at her home for coaches and visiting dignitaries. As the years passed she gradually took on lesser roles but her love for the event continued until her death.

THE OPERATION OF GEORGIA OLYMPICS

UMPIRES:

Spectators as well as contestants will observe judges with flags around the track on all running events. These men observe all possible violations of track rules and when contestants pass their area of jurisdiction, wave a white flag, meaning everything is “O.K.” or a yellow flag, indicating a possible infraction or violation.

On relay races, a yellow flag can mean that the baton was passed outside legal zone, or that a runner was out of his lane, or that a runner cut in front of another too quickly.

On a race involving no lanes, 800 meters, 1600 meters or 3200 meters, a yellow flag can mean a runner cut in too quickly, not giving the other runner one stride distance before doing so.

On hurdle races, a yellow flag could identify a hurdler that did not get both feet over the hurdle plane. If one foot was lagged or allowed to drag below the hurdle height, he would be disqualified, and a yellow flag would be flown by a Georgia Olympic umpire.

SCOREBOARD:

The scoreboard, which can be seen easily from the stands, will keep a running score total of the top six teams in each class as each event is concluded.

TENT SPACE:

No individual team tents will be permitted on the field inside the fence where the track is located.

WIND GAUGES:

For a national record to be recognized in certain events, there cannot be a following or tail wind exceeding two meters per second, which is 4.473 miles per hour. The events are:

1. Long Jump
2. Triple Jump
3. 100 Meter Dash
4. 110 Meter Hurdles
5. 200 Meter Dash

(In these events the wind gauge is located about halfway down the runway. Note: One gauge located halfway applies at all times.)

AWARDS:

At the conclusion of all final events, the first 8 finishers must go immediately to the victory stand. Winners will be announced and medals presented before the next event is begun. You must go to the victory stand promptly so that we can stay on schedule while recognizing you and your achievement. GHSO in conjunction with State Farm, awards medals for 1st and 2nd place. Third through eighth place medals will be provided by the Atlanta Track Club.

ANNOUNCEMENTS OF EVENTS:

First Call will be given 15 minutes before each event. Contestants must report immediately to the Clerk of Course. His position is identified on the infield by sign marked CLERK. Calls for field events will also be given. On final call, contestants must report to the official for his event.

Last Call will be given 5 minutes before race. Contestants must report immediately to the starters. Remember: The order of running in each final event will be A, AA, AAA, AAAA, and AAAAA.

REPLACEMENT AND DISQUALIFICATION:

Any replacement in an event (by the region secretary) must be made to the State Office not later than noon two days prior to the beginning of the State Track Meet (Tuesday, May 8).

Any contestant disqualified in a region meet may not participate in the state meet in the event in which the contestant was disqualified. Relay teams should show six (6) contestants. No replacements may be made in the relays from the list submitted to the region secretary. Any 4 of the 6 may run in the region or state.

THE OPERATION OF GEORGIA OLYMPICS

SPLITS: All individual races with more than one lap will have “splits” announced over the loud speaker for the first six runners at each lap.

TENTATIVE STARTING HEIGHTS:

	AAAAA	AAAA	AAA	AA	A
High Jump	5’10”	5’10”	5’10”	5’10”	5’8”
Bar moves up 2” until 6’6” is reached, then at the discretion of the official.					
Pole Vault	11’	10’6”	10’	10’	9’6”
Moves up 6” until 14’0” is reached, then at the discretion of the official.					

WEIGH DISCUS AND SHOT:

Scales are located at the white building adjacent to the shot put area. All shot and discus must be weighed and checked before using. The implement must carry the mark of approval for Georgia Olympics, otherwise they cannot be used.

PRINCIPLES OF HEAT DRAWING:

(2012 Track and Field Rules Book | The National Federation of State High School Association and the GHS Bylaws)

In the two heat races, the athletes for the finals are chosen by place over time. The first four finishers of each heat will be in the finals — regardless of their times.

1. Weigh **place** first
2. Weigh **time** second
3. Working from left to right and right to left:
 - a. Group and seed first place winners by their times
 - b. Group and seed second place winners by their times
 - c. Group and seed third place winners by their times
 - d. Group and seed fourth place winners by their times
4. In the first round competition only, if two contestants from the same team fall within the same heat, move the slow runner to another heat by interchanging with a runner of nearest comparable place and time (weighing **place** first and **time** second).
5. If all heats do not have the same number of contestants, draw for the extra contestant assignment to heat by lot.

SCORING

1st Place - 10 Points	3rd Place - 6 Points	5th Place - 4 Points	7th Place - 2 Points
2nd Place - 8 Points	4th Place - 5 Points	6th Place - 3 Points	8th Place - 1 Point

COACHES PASSES FOR ADMISSION TO FIELD:

With the exception of field events, all coaches must obtain from the information booth (located at the top of the stadium at the end of the press box) a special FIELD PASS for admission to the field or track area. If for any reason a coach must go on the track or field, he must obtain a FIELD PASS. When the business has been transacted, he then returns the PASS to the information booth. There will be stationed in the stands, among the spectators, and at each gate on the field, a patrol to eliminate any unauthorized people on the field. This will eliminate some confusion occurring in years past and make it better for judges, timers and spectators to see what needs to be seen. Thank you very much for your cooperation.

THE OPERATION OF GEORGIA OLYMPICS

Michael Gunn — Starter

Coach Gunn is a graduate of Marist School and The University of Georgia. He taught math at Riverwood High School for four years while coaching football, basketball, soccer and track. He returned to UGA to be a graduate assistant for football while earning a master’s degree in secondary math education. In 1991, he joined the math department at Athens Academy and assumed the role as head football coach. While at Athens Academy, Coach Gunn has also coached soccer, basketball, tennis and track. His teaching duties have been in Geometry, Trigonometry, Statistics, Pre-Calculus and Calculus.

Terry Canup — Assistant Starter

Coach Canup has been coaching track and field as well as football since 1984. He started his career at Carrollton High School, then to Screven Co. High, Gainesville High, and finally to Commerce High School where he is the Assistant Principal. He graduated from Commerce High in 1979 and received his B.S. and M. ED in Physical Education & Health from West GA University, and a Specialist degree from Lincoln Memorial University. He is married to Pam and has three children.

IN MEMORY OF JOHN BURNS

AFTER 41 YEARS – A FAMILIAR FACE WILL BE GREATLY MISSED

For the first time in the long 41 year history of the Georgia Olympics, a familiar face will be missing from this year’s event. This is especially true for many of our truly veteran track coaches and long-time track and field fans from throughout the State of Georgia as well as some of our surrounding states. Some of these individuals have attended this great event since

its historical inception in the Spring of 1972. Many will remember this as the very first “all classification” state high school track meet of this kind held anywhere east of the Mississippi River, and many of those also remember seeing and perhaps talking every year to a man whom many of them probably only knew as “John.”

John Walter Burns passed away earlier this year on February 13th at the age of 82, leaving 5 grown children – 4 daughters and 1 son, 12 grandchildren, and 5 great grandchildren.

John was first employed by both the Jefferson Mills and also the Jefferson City School System just before our first track meet in the early Spring of 1965. He quickly became an invaluable member of our athletic department staff as our Head Groundskeeper and General Maintenance man for the stadium area, which included the football field as well as the very first all-weather track at any high school in the United States. It had been completed in 1964, only one year before John was hired.

For over 40 years, John was the one individual that we could absolutely not do without in preparing, lining off and keeping up our track and field area in the spring and the same with our football field in the fall, but he also worked diligently and proudly for 12 months year-round in many other areas of our school facilities.

John was not only an invaluable and dependable worker with our school system, but he was also our greatest fan during all of our sports seasons. John always found time to be very active in his church and was said to be a lover of all things Jefferson Dragons, Georgia Bulldogs and Atlanta Braves.

John was truly a friend to many and loved by all who knew him. He will be greatly missed by all of us.

Thank You

The Georgia High School Association and the Jefferson Track Club would like to say a special “Thank You” to the 200+ volunteers it takes to put on this meet each year. Without you, this event could not be held. THANKS!!

FRED BERMAN

SHOT PUT FRED BERMAN TROPHY

When Fred Berman broke the Southeastern Conference shot put record in 1956, the mark he erased had been a world record when it was set by LSU's Jack Torance in 1933. Fred competed for the Marine Corps for three years between his sophomore and junior year at Georgia Tech and had the opportunity of training and competing with many world class athletes during his time. As a result of this exposure, he was one of the first in the South to introduce weight lifting into shot and discus training — a factor that carried him to a Tech shot record of 56', 4-1/4". In 1957, he was conference champion in both discus and shot. It is an especially pleasant sidelight that our own coach — Jack Keen — was a pole vaulter and triple jumper on the same Tech team on which Fred competed. On September 7, 1979, Fred was inducted into the Georgia Tech Athletic Hall of Fame.

CARL VEREEN

DISCUS THROW

CARL VEREEN TROPHY

Carl was an All-American tackle on the great Georgia Tech football team of 1956. He and his friend, Fred Berman (see Shot Put) made an unbeatable team in the weights during the '55, '56, '57 years at Tech.

SEC Discus Champion 1955-56, Shot Champion 1955, Carl set and held for a number of years the coveted Drake Realty Record and still holds the Georgia Tech Discus Record of 175' 5-1/2" set in 1956.

Carl has succeeded in his business life and is quick to say that his athletic career has had a big hand in helping him in the competitive business world.

BILLY WEEKS

POLE VAULT

BILLY WEEKS TROPHY

No improvement, whether in facilities or equipment, has been as dramatic as that in the Pole Vault. Fiberglass poles with flexibility of literally throwing the vaulter upward with little or no concern of how he lands since he falls on foam rather than sawdust, almost make pole vaulting a different game. Billy Weeks, a great Tech athlete from 1938 to 1941, was a pole vaulter of the earlier game. Old Time vaulters used a bamboo cane pole about 3" in diameter, heavy to carry and probably flexed only about 1". He depended on speed, muscle and body spring to do the job. The pole was a means and not an assist. Billy was SEC Champ, vaulting 13' 6" to win in 1941. In those days, it was a real triumph, and all that knew him would like to know just how high he could vault with today's facilities. Billy is a member of the Georgia Tech Athletic Hall of Fame, and is retired from Sears, Roebuck in Atlanta. We salute him for his athletic accomplishments and for what he has achieved in life — more than it would have been had track and field not been a part of his development.

LEWIS GAINNEY

TRIPLE JUMP LEWIS GAINNEY TROPHY

One of the greatest performers in University of Georgia Bulldogs track history is Lewis Gainney. Lewis served as Head Track Coach at UGA for about 15 years. The Cairo native captained Georgia in 1965. He won the SEC Long Jump that year with an SEC meet record leap of 24'. He has also won the Triple Jump with 49' 1-1/2".

Following graduation in 1966, Gainney won the United States Track and Field Federation Long Jump with 24' 10-1/2" and the Triple Jump with 50' 6-3/4". Earlier, in Atlanta, he had his career best long jump with 25' 3" in the Southwestern USTAFF Meet.

In March 1977, Gainney started the Georgia Relays, which includes colleges and Georgia high schools. In 1982, Lewis was named SEC Coach of the Year and was an assistant coach for the National Junior Pan-American Team. His athletes earned many NCAA All-American honors and individual indoor and outdoor conference championships. In 1984, his 400-meter relay team won the NCAA championship. He has coached several Olympians.

ED HAMM

**LONG JUMP
ED HAMM TROPHY**

Ed Hamm was the first man from colleges in the United States to receive international Olympic recognition. He did well on the track in the 100, 220 and 440, but his real claim to fame was the Long Jump on the Olympic Team in 1928. After stellar performances wearing the gold and white at Georgia Tech, he set an Olympic record in Amsterdam with a jump of 25' 3" and came away as the first Georgian to claim an Olympic Gold Medal. His record stood for eight years. He later set a world record of 25' 11-3/4" which stood until the great Jesse Owens broke it in 1936. Ed was named to the Georgia Sports Hall of Fame in 1982. He lived in Portland, OR, but traveled that distance in order to attend Georgia Olympics XI in 1982.

SONNY POSS

**HIGH JUMP
SONNY POSS TROPHY**

Sonny Poss is a firm believer in competitive athletics, for they prepare young men and women for situations which they are sure to meet in life. Sonny says, "Georgia Olympics offers an outstanding opportunity for recognizing those athletes who have worked hard to represent their schools." At the University of Georgia, he won nine letters! He lettered in basketball — three times including the Gator Bowl Championship in 1957; swimming — three times including SEC championship in medley relays; track - three letters. He won the SEC championship in the high jump as a sophomore and junior, setting a school record of 6' 4-1/2" and, in his senior year, he placed second. All of these accomplishments earned him the tremendous honor of being named Southeastern Conference "Best All-Around Athlete" both his junior and senior years. Sonny has been an outstanding example, teacher and coach to young people in the public schools of Georgia and in the summers at Athens YMCA Camp in Tallulah Falls.

WILLIAM TATE

1600 METER RUN WILLIAM TATE TROPHY

This man did so much for others, received so much recognition and so many well-deserved honors that a summary here seems almost impossible.

Most everyone in Georgia knew him as the Dean of Men at the University of Georgia or Professor at McCallie School in Chattanooga, or a fine speaker at any occasion, or good conversationalist on any subject or just undoubtedly one of the nicest gentlemen that our Creator gave us the opportunity to know. Because of his inherent modesty, few people knew that he was a great athlete. Try these on: Southern Collegiate Mile Champion 1924-25; Southern AAU Mile Champion 1927; Southeastern Olympic Trials 3,000 Meter Champion 1928; set Georgia School 2-Mile Record of 10:07 in 1924; and Mile Record of 4:27 in 1926.

'CHICK' ALDRIDGE - GA TECH

3200 METER RUN

ROBERT ALDRIDGE TROPHY

In the years from 1935-38, Chick Aldridge carved a name in the cinder tracks of the U.S.A. The Southeastern Conference Championship for the Two Mile belonged to him for three consecutive years in the time period of 1936-38 and three times he was on the SEC Cross Country championship squad. He was the 1938 Georgia Tech track captain and was considered among the top four Two Milers in the U.S.A. during the years 1935-36. Chick once held the Georgia Tech records for both the One Mile (4:20.8) and Two Mile (9:21.2). In 1938, Chick was handed a diploma in one hand and orders to report for service in World War II in the other. He joined the Air Force and served as Lieutenant. Chick was killed in action in China in 1944.

GEORGE GRIFFIN

400 METER RELAY GEORGE GRIFFIN TROPHY

Coach George Griffin's Cross Country teams won 10 Southeastern Conference meets. Coach Griffin not only produced many great teams while he was Head Track Coach, but he also helped to develop many outstanding athletes, many of whom are honored for their performance in this program

He served on the National Track and Field Rules Committee and contributed much of his time, talents and efforts for better track programs through the state and country. Dean Griffin authored "Griffin, You're A Great Disappointment to Me," which reminisced through many years of association at Georgia Tech and the many great personalities at the school he loved. In the same way that George Griffin loved his institution and its people, the institution and its people love and respect him and his memory. It is an honor for this community to name the 400 Meter Relay trophy for this gentleman.

THE SPIRIT OF THE GEORGIA OLYMPICS

GEORGIA OLYMPICS HONORARY MEET DIRECTORS

I

SEN. HERMAN E. TALMADGE

"The ancient Greeks started the sport in which you are participating. Any sport that has held the attention of the world for more than 27 hundred years must be extremely worthwhile."

II-III

JESSE OWENS

"You can do anything you want to if you want to do it bad enough."

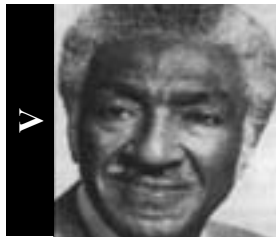

"Everybody wants to be somebody. It's your time."

IV

DAVID C. ARNOLD

"The best track meet I ever attended."

V

CONGRESSMAN RALPH METCALF

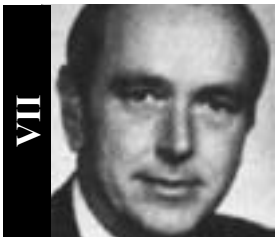

"Those who do not win are not losers because they have gained what it means to be an athlete through losing or winning."

VI

SENATOR SAM NUNN

"Never give in. Never, never, never, never, never give in."

VII

GOVERNOR GEORGE BUSBEE

"I am proud of the high national ranking of Georgia High Schools' athletic programs including the State High School Track & Field Championships."

VIII

COACH SPEC TOWNS

"Congratulations for the best High School Championships in the country."

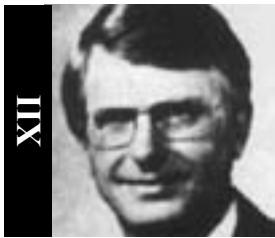

IX-X

Permanent plaques have been installed at the Georgia Olympic Stadium, having been presented to Beverly Prather, daughter of Jessie Owens and Ralph Metcalf, Jr. son of Ralph Metcalf at Georgia Olympics IX. The Honorary Meet Directors for Georgia Olympics X were newly selected co-honorees of each event.

ANDREW YOUNG

Mayor of Atlanta

"Commitment to excellence in all areas of living is intended to be our goal. St. Paul said if you enter the race, run to win. Life and track have much in common."

XI

LT. GOV. ZELL MILLER

"Public education is vital to each of the 250 communities represented in the competitive events of Georgia Olympics. This experience adds to the strength of public education in Georgia."

XIII

MEL PENDER

"You may be ready for the race . . . are you prepared for the challenge? Education and determination is the key to success, so play it right."

XIV

BILL CURRY

"The beauty of true competition is that in it there is no black or white, rich or poor, liberal or conservative. Competition teaches that we are all brothers and sisters, and that we all need each other."

XV

NOAH LANGDALE

"The grandeur of western heroism draws strength from the ideals of contesting with our brothers and sisters, under God, under Liberty, with Honor . . . the ultimate rewards lie in the effort and stamina to seek, to strive, to find and not to yield."

XVI

DR. HOMER RICE

"Identify the mission. Accomplishment of that mission requires the dream, commitment, effort, and faith."

XVII

VINCE DOOLEY

*Athletic Director, University of Georgia
"To dream is the beauty of the human mind; to do is the strength of the human will; to trust self to test to the limits is the courage to win."*

XIX

BOBBY ROSS

Athletic Director, Georgia Tech

"These games are special and unique. You are a winner because you have won. Be a winner in what takes place off the field. Because you are a winner, you will have influence."

XX

FURMAN BISHER

Sports Editor, Atlanta Journal/Constitution

"Making it to Jefferson sets a man aside from the average . . . the badge of distinction is more than the medal he wins."

XXI

BOB BRENNAN

Press Chief, Atlanta Comm. for the Olympics

"It isn't just enough to be a champion in sports, you've got to be a champion in school, and you've got to be a champion in life. . . . Do the very best you can do in everything you do."

XXII

CHARLES BATTLE, JR.

Exec. VP & Mg. Dir. Sports & Intl. Org.

Atlanta Olympic Committee

"Like an Olympic athlete, set your goals high and you will be successful."

XXIII

WERNER ROGERS

GA Superintendent of Schools

"When we raise expectations of our young people, we get those expectations."

THE SPIRIT OF THE GEORGIA OLYMPICS

GEORGIA OLYMPICS HONORARY MEET DIRECTORS

WILLIE BANKS

"Great athletes share the qualities of the 3 D's. Desire, the need to achieve a goal. Determination, the effort to work hard to achieve the goal. Dedication, the sheer will to succeed even in the face of adversity."

TOMMY GUILLEBEAU

"Thank you to the Community of Jefferson, the Jefferson Track Club and to the many volunteers who have made 25 years of Ga. Olympics the best track meet in the nation."

ANTONIO R. MCKAY

"... think without confusion clearly, love his fellowman sincerely, act with honest motives purely, trust in God and Heaven securely."

LEWIS GAINEY

Assistant Athletic Director for Event Management, Olympic Sports

SAMUEL GRADDY III

"Find and fulfill your destiny."

BOB BEAMON

Gold Medal
Long Jump
1968 Olympics

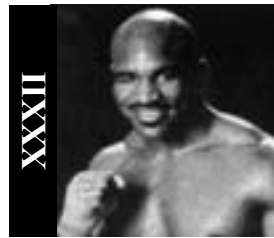

ADAM NELSON

"Don't be afraid to put it all on the line today with pride and sportsmanship."

MIKE BEATTY

"God gives strength, focus, endurance to be a winner. A 4-letter word connected to winning is work."

EVANDER HOLYFIELD

"Refuse to give up and all can be accomplished."

LESTER MICKENS

"There is no dream in life that is beyond your ability to accomplish."

RALPH SWEARINGIN, JR.

"Whenever the opportunity arises, remember the lesson: you do have more within yourself to give than you think you do."

REESE HOFFA

"In my heart, I'll always be the 'Unknown Shot Putter'."

RALPH KING

9-Time
ACC Champion
UNC Chapel Hill

BILL THORN

Track & Field Coach
Landmark Christian
Over 19 years at LC, the life force of their track and field program.

PAUL KOSHEVA

Track & Field Coach
35 Years
Westminster Schools
Atlanta, GA

EMORY FEARS

Track & Field Coach
25 Years
Russell High School,
North Springs HS,
Brown HS, Headland HS

The GA Olympics XL Honorary Meet Director position was dedicated to the group of people who were the foundation of the event with 30+ years of working to the event.

FROM JEFFERSON TO THE OLYMPICS

GEORGIA TRACK AND FIELD ATHLETES GO FROM LOCAL OLYMPICS TO INTERNATIONAL

BY FLETCHER PROCTOR

When you think of the Georgia Olympics, the first thought that likely comes to mind is seeing Michael Johnson's golden shoes, Muhammad Ali lighting the Olympic torch or Kerri Strug landing on one foot to secure the gold medal. But the Georgia Olympics actually take place each year when the best high school track and field athletes head to Jefferson's Memorial Stadium to seek GHSO state titles. In recent years, fans have been treated to some of the best runners, jumpers and throwers that have ever passed through the state. Records fall each year as these tremendous athletes train harder than ever in an effort to achieve "unbreakable" marks.

While many records will surely fall this year, the athletes participating must pay homage to several of the greats from past Georgia Olympics who have gone on to compete at the highest level of track and field: the Olympic Games. Georgia has churned out countless Olympians, but several began their journey by competing in Georgia at the Georgia Olympics.

ANTONIO MCKAY

McKay was a three-time state champion from 1980-82 for Roosevelt High School in Atlanta. In 1982, McKay set the 400-meter record that still stands today. Following his ultra-successful high school career McKay went on to Georgia Tech, where he dominated on the collegiate level. McKay barely skipped a beat going from high school to college as he collected a pair of NCAA championships, taking the 1984 indoor and outdoor titles, along with All-American status.

With the 1984 Olympic Games taking place in Los Angeles the table was set for McKay, especially after he won at the United States Olympic Track Trials. In Los Angeles, McKay took home the bronze medal in the 400-meter event before leading the 4x400-meter relay team to the gold. He took home additional golds at the 1986 Goodwill Games, the 1987 IAAF World Indoor Championships and the World Championships.

McKay added one final Olympic gold medal for being part of the 4x400-meter relay team again in the Seoul Olympics in 1988. The former Yellow Jacket retired in 1994 after winning a gold at the 1989 World Indoor Championships in Budapest and a silver in

the 4x400-meter relay at Seville's 1991 World Indoor Championships. He finished his career as a five-time Indoor USA Track and Field champion.

These days, McKay works as a track coach at Dunwoody High School. "It is incredible how much time and energy Antonio McKay devotes to the students," Dunwoody head coach Brad Hendrickson said of McKay. "His number one priority is to ensure they excel in life, then as athletes."

Hendrickson said that McKay has little problem focusing on the students. "He uses his experiences as an Olympian to help them in their pursuits."

Hendrickson also said that it is humbling to work alongside an Olympian with McKay's resume. "He brings so much knowledge and experience to the program," said Hendrickson. "We are extremely fortunate to have him."

TERRENCE TRAMMELL

Another Georgian made famous by the Olympic Games is Terrence Trammell. The former Southwest DeKalb star set the state record for 110-meter hurdles with a blistering 13.34 time that has withstood all sorts of challengers. Trammell was named the 1997 Track and Field News Male High School Athlete of the Year for his dominating efforts.

After high school, Trammell attended the University of South Carolina where he trained under Curtis Frye and alongside former gold medalist Allen Johnson. During his time at South Carolina, Trammell finished second in the 1998 NCAA Outdoor Championships in the 110-meter hurdles, but rebounded in 1999 to win the event along with the 4x100-meter relay. That same year he also won both the 110-meter hurdles and the 4x100-meter relay at the World University Games.

At the 2000 Olympic Games in Sydney, Trammell put the world on notice of his ability with a silver medal in the 110-meter hurdles event. He would finish up an incredible season with NCAA Indoor Championships in the 60-meter dash and 60-meter hurdles. He captured the 2001 60-meter hurdles gold at the World Indoor Championships in Lisbon, Portugal, and then took the gold in the 60 meters

at the 2002 National Indoor Championships in New York. In 2003, he started gearing up for the 2004 US Olympics with a pair of silvers in the 110-meter hurdles at the World Championships and the IAAF World Athletics Final.

In 2004 Trammell looked sharp once again after taking first in the US Olympic

Team Trials, but in Athens he was again a silver medalist, falling to China's Liu Xiang.

Trammell locked up a pair of gold medals in the 2007 and 2009 National Indoor Championships and three additional silvers in the 2007 World Outdoor Championships, the 2008 National Outdoor Championships and the 2010 World Indoor Championships. Trammell qualified for the 2008 Beijing Olympics, but had to pull out of the competition after injuring his hamstring in the preliminary rounds.

ARIES MERRITT

If you look up the 300-meter hurdles, you will find William Wynne's name atop the list of all-time finishes. Wynne's 35.67 came at the Georgia Olympics in 2007, when the McEachern standout outran the field and history for the win. Trammell's name sits at No. 4 on the list and Aries Merritt's name checks in at No. 6. Don't discount Merritt, though.

The former Wheeler star won the 2005 World Junior Championship in Grosseto, Italy, and was undefeated his senior year running at the Cobb County power program. He won the 2003 110-meter hurdles Class AAAAA title and finished second in the 300-meter hurdles. He received Best Performance trophies at the 2003 Georgia Olympics for his times in the 110 hurdles and 300 hurdles. USA Today would name Merritt to its All-USA High School Team. After high school, Merritt headed to the University of Tennessee where he would set 14 school records and win the 2006 NCAA Championship. He finished the 2006 college season undefeated in 18 races.

After becoming a three-time SEC Champion and seven-time NCAA All-American, Merritt decided to forego his senior season to pursue a professional career in track and field, and the results have been staggering. Merritt went on to finish third in the 2009 USA Outdoor championships and runner-up in 2011. He then captured the 2012 World Indoor Championships gold in the 60-meter hurdles, and is the current US National Indoor Champion in the 60-meter hurdles as well.

DEXTER FAULK

Georgia has been fortunate to produce some of the best hurdlers in American track history. A name that stands out in track circles is former Stone Mountain star Dexter Faulk. After watching the 1996 Olympic Games in Atlanta, Faulk, then in the sixth grade, was inspired and took up track.

He set the No. 2 all-time mark in the 110-meter hurdles at the 2002 Stephenson Invitational and has since gone on to bigger and better things. In 2009, he won the silver medal at the World Athletics 110-meter hurdles. The same year Faulk won the 110-meter hurdles at two IAAF Golden League events in Berlin and Paris. Faulk recently turned in a blazing 60-meter indoor hurdles score that was his best time ever in the event.

ADAM NELSON

Nelson, a 1993 graduate of Lovett, wouldn't be found at the top of the state's all-time best

shot put marks. But Nelson doesn't need Georgia records, he already has a pair of Olympic silver medals and he is seeking another.

Nelson is attempting to qualify for his fourth Games after taking silver in 2000 and 2004. In addition to the two Olympic medals, he has a 2001 Goodwill Games gold, three additional World Outdoor silvers, and one World Outdoor championship from 2005. Nelson was the 1997 NCAA champion in shot put while also playing football at Dartmouth. His resume also includes three USA Outdoor championships and a pair of USA Indoor Championships.

Other famous Georgia-bred track and field stars that have gone on to Olympic fame include Augusta's Forrest "Spec" Towns, who won the 1936 Olympic gold in the 110-meter hurdles, 2004 Olympic gold medalist Dwight Phillips from Tucker, who left Athens, Greece with the long jump title, and Sandy Creek's Christian Taylor who won the 2011 USA Outdoor championship in the triple jump. Taylor also was the 2011 World Outdoor gold medalist and a two-time NCAA Indoor Champion and 2010 NCAA Outdoor champion while at the University of Florida.

Many athletes performing today could very well end up in the Olympics, chasing international immortality.

METRIC CONVERSION TABLE: To convert time from:

100 m	to 100 yds.	Subtract .9 sec.
110 m H.H.	to 120 yd. H.H.	time is the same

HONORARY MEET DIRECTOR

HAWTHORNE WESLEY LONG TIME BOARD MEMBER OF ATLANTA TRACK CLUB AND TRACK OFFICIAL

Hawthorne Wesley was outstanding as a track and field athlete but it has been his efforts since his running days that have helped to shape the running in the state of Georgia as we know it today. Wesley ran track and cross country at North Fulton High School and would go on to run at Auburn University. While with the Tigers, Wesley was a member of three SEC Championship teams. Following his time in Auburn, Wesley ran for the Atlanta Striders, a group founded by Buddy Fowlkes.

Wesley would go on to found the Atlanta Track Club and serve on the Executive Board for 21 years. In 1968, Wesley served as the ATC's president. He still works with the ATC to this day, heading the Atlanta Track Club's high school awards program. He has seen every single Georgia Olympics, save one when he was in Yugoslavia. Wesley also serves USA Track & Field Georgia as chairman of the organization's Hall of Fame selection committee following his induction.

Wesley and his wife Betty have two children, Maria and Thorne. His son served his country honorably in Afghanistan.

CHARLIE BELCHER

400 METER DASH

CHARLIE BELCHER TROPHY

Another fine American competitor to travel through Europe representing his country in fine style was Charlie Belcher. It all started at Georgia Tech in 1937, where, under Coach George Griffin, he developed into one of the nation's best 440 men. For three years he won the SEC 440 Yard championship and, in the course of doing so, he set his school record of 46.7 which still stands. He was track captain in 1939 and on the side he won the SEC 220 Yard Low Hurdles and was champion of this event in 1938. Charlie Belcher had much talent and worked hard to become a great contributor to the earlier era of track. Yet, many, many years later, how many men have run 440 yards faster than Charlie's best of 46.7? Not but a few.

In 1937, Charlie was elected, because of his collegiate career, to represent the U.S.A. in European competition. He performed as expected — winning most and conducting himself as an outstanding gentleman from the State of Georgia.

BUDDY FOWLKES

**100 METER DASH
BUDDY FOWLKES TROPHY**

A great athletic competitor — the traits of which have spilled over into his career. First: Athletics — Georgia Tech co-captain 1948, captain 1949, co-captain 1951. Member of Georgia Tech Athletic Hall of Fame . . . was three times total point champion in the Southeastern Conference Championship meet, held the SEC record 28 years for all-time individual points (50) . . . was many years a co-holder of Georgia Tech 100 yard record of 9.6 and was also, for many years, holder of the Tech 220 hurdles record of 23.2. Set a world record for 100 yard dash for 34 year olds (9.5 in 1962). Second: He was Head Track Coach at Georgia Tech for 29 years and has coached many All-Americans, some of whom went on to be International Olympic contenders, Ben Vaughn, Joel Majors, Larry Lowe, and Antonio McKay.

SPEC TOWNS

110 METER HURDLES SPEC TOWNS TROPHY

Either wearing the red and black of his University or the red, white and blue of his country, Spec Towns was the talk of the track world during the era of 1934-37. Almost every time he ran, a record fell. He was SEC High Hurdles champ in 1936 with a record of 14.1, Olympic record of 14.1 in Berlin among Nazi antagonism, and the second Georgian to win a Gold Medal. No one really knows what Spec thought was his greatest show, but those that saw him do it rank his performance in that 1937 SEC Championship as his finest. Spec was first in the High Hurdles, first in the Low Hurdles, second in the High Jump, and third in the 100 yard dash. He left the High Jump to run the 100, went back to clear 6'0"; left to set a record in the highs, promptly returned to high jump 6'2" and later won the Low Hurdles — what an athlete! Lest we forget, Spec also made his name in the days of cinder tracks, without starting blocks and running over hurdles made of 1x4's mounted on an "A" frame. College and Olympic hurdles are 3" higher than high school hurdles, which also add to the impressive "fetes" of the great Spec Towns. Spec retired as track coach at the University of Georgia where he developed 18 SEC champions, many of whom are recognized in this program. In 1968, he was elected to Georgia Hall of Fame and the Helm's Track and Field Hall of Fame.

We salute a great athlete, who brought honor to his school, state and nation, and a great citizen, who by his leadership brought the best out of many others.

FREDDIE FREDERIKSON

**800 METER RUN
FREDDIE FREDERIKSON TROPHY
LESTER MICKENS, CO-HONOREE**

This guy was awesome — not big, just plain “gutty.” Frederikson always did better than he could. Freddie won the 1500 meters at the Junior National Championship at Princeton in 1936 as a high school senior qualifying for U.S. Olympic Track team tryouts. In 1938, he won the SEC Lightweight Boxing Championship and was voted the meet’s outstanding boxer. He was captain of his team. But on the track, if you didn’t have at least 25% more natural talent — look out, he’d beat you. Ask anybody that ran the mile in the South during 1938, ’39 and ’40. Freddie was the champion. His best time as 4:22.0 and in the top 10 in the U.S.A.

Lester Mickens, co-honoree of this event, was Best Performance Winner and record setter in Georgia Olympics IV & V. He was awarded the H. J. Stegeman Trophy in Georgia Olympic V.

PERRIN WALKER

**200 METER DASH
PERRIN WALKER TROPHY**

Perrin was one of the greats! From GMA he entered Georgia Tech and while there under the tutelage of George Griffin, he was a real versatile stalwart. His best at Tech: 100 Yard Dash 9.5; 200 Yard Dash 20.8; Broad Jump 23' 6"; 440 Yard Dash 48.0; High Jump 6'3-1/2"; Shot Put 46' 10". He was Southeastern Conference champion in 1934, was named to the All-American team in 1937, after having won the national 100 Meter Dash at Milwaukee. This team toured Europe with meets in Sweden, Norway, Denmark and Finland. Perrin was undefeated on the trip. His best 100 Meter Dash time was 10.4. In 1938, while competing in Chicago in the Daily News Meet, he set the world's record for the indoor 60 Yard Dash of 6.1 seconds and was holder (later co-holder) of this record for 20 years. The summer of 1983 (51 years after the State 200 Record!), he competed in the Masters Southwestern Classic at Furman University in Greenville, South Carolina. In this meet, Perrin placed first in the 100 meters — 17.9 seconds, and first in the 200 meters — 39 seconds. He ran in the age group of 65-70. Perrin had a successful business career. He was the first to say that track meant a great deal to his life. He was honored with many medals and trophies, but in addition, track gave him opportunities to travel and, through his travel, many educational benefits came his way.

VASSA CATE

300 METER INTERMEDIATE HURDLES VASSA CATE TROPHY

Vassa Cate played first string halfback for three coaches at Georgia — Harry Mehre, Joel Hunt, and was Wally Butts' first captain in 1939. Vassa scored 8 touchdowns as a sophomore, all originating more than 30 yards away from the goal. He held the Sanford Stadium Kickoff Return record of 95 yards for 35 years. He also returned a kickoff against Mercer for 85 yards and a 50-yard punt to beat Tulane 7 to 6. In track, Vassa was SEC 100 Yard Dash champion in 1938, 3rd in 1939, and 2nd in 1940. He was 2nd all three years in High Hurdles. He was SEC champion in 220 Low Hurdles in 1939 and in 1940 set a record that stood for 23 years at 23.1 seconds. He fell on the 8th hurdle in 1938 while leading the race.

Vassa was selected by Coach Mehre on his All Time All Mehre Team. He was elected to All Time All Southern Track Team. He was elected to State of Georgia Athletic Hall of Fame. He was voted outstanding player vs. Georgia Tech's '39 Orange Bowl Team. Vassa coached South Georgia All Stars in the Annual North-South Football Game. He coached at Riverside Military and his track team won G.I.A.A. He coached football and track at Waycross High and his track teams won 10 straight district and region championships. He served as principal of Calhoun High School for five years and served as Superintendent of Calhoun City Schools for 21 years. He retired in January of 1980.

Vassa Cate passed away at the age of 82 and will be missed by all.

SAM BURKE

1600 METER RELAY SAM BURKE TROPHY

Mention the name Sam Burke and you mention young people. For over 30 years, Samuel F. Burke served the Georgia High School Association as Executive Secretary. Mr. Burke served as a teacher, coach, principal and superintendent. He was 32nd degree KCCH of the Scottish Rite, and was active in church and community.

He served as president of the National Federation of High School Athletic Association and as a Consultant on State, National and International Athletic Rules Committees. For 29 years, he was chairman of the High School Football Rules Committee. His lifetime membership in the Georgia Athletic Coaches Association and his appointment to the Georgia Sports Hall of Fame showed the high regard in which his colleagues held him. We appreciate the fine marks that Sam Burke left for the young people of this state.

STATE RECORD AWARD

This plaque will be awarded to anyone in any classification who ties or breaks the existing State record during the three days of Georgia Olympics. It can be either in the preliminaries or the finals. If a record is broken in a preliminary heat and the new record is later broken in another preliminary heat, only 1 plaque will be awarded to the latter. If this record is broken in the finals, an additional plaque will be awarded. Record Plaques for Friday's field events and running preliminaries will be presented during the Final Session Opening Ceremonies, Saturday afternoon at 12:00 p.m. Plaques for Saturday finals will be available shortly after the event.

In Georgia Olympics, record plaques will be awarded for each performance that betters the existing record. If the existing record was set for English distance, the chart on the last page will be used to convert to metric. Obviously, if the existing record was set over a metric distance, the better time in Georgia Olympics will establish a new record.

In the event hand-held watches must be relied upon because of automatic timing failure, the time will not be considered a record unless the .1 (1/10th) Sec is better than the automatic timing record time rounded to the nearest .1. (If hand-held time is 10.0, automatic timing record is 10.1, hand-held time ties the record; if automatic timing record is 10.06, the hand-held time of 10.0 would be a new record - 10.0 vs. 10.6 rounded to 10.1).

BEST PERFORMANCE TROPHIES & MEDALLIONS

The trophies and medallions are for the best performance in each event, regardless of classification, and are given by the community of Jefferson. These awards are named for outstanding individuals who have excelled in their events.

TEAM TROPHIES

These are amongst the most coveted in the state. A trophy is awarded to the first four high point teams in each classification. These trophies will be presented at the conclusion of the meet on Saturday.

MORRIS M. BRYAN MEMORIAL TROPHY OUTSTANDING PERFORMER

In the spirit of how Morris conceived, guided and nurtured Georgia Olympics, we wanted to name a trophy in memory of him. After much thought and consideration of a variety of ideas and approaches to the type recognition we wanted the trophy to be, we arrived at trying to select the outstanding performer that emerges from all of the sessions of Georgia Olympics.

There were several ways this could be done. What we considered to be the fairest, most objective method is a point system as follows:

- Award 10 points for each Record Plaque won. If relay team on which he runs sets a record, score 2-1/2 points.
- Award 20 points for each Best Performance Trophy won. If relay team on which he runs wins the Best Performance Trophy, score 5 points to the individual.
- Award 1 point for each point scored by the individual in a final event.

The individual with the highest point total after the mile relay Saturday afternoon will be the winner. In the event of a tie, duplicate trophies will be awarded.

MORRIS M. BRYAN

The Jefferson Track Club is proud to present this trophy at Georgia Olympics and hope it will become the most prestigious of all the awards and worth an extra effort toward excellence on the part of the participants.

HERMAN J. STEGEMAN AWARD HIGH POINT CHAMPION

The Herman J. Stegeman Trophy will be presented to the individual scoring the highest number of points during the meet scored on the same basis as credit given to his team, including one-fourth of any points received by a relay team on which he participated.

In the event of a tie, the winner will be selected on the basis of record set or the most outstanding performance amongst those trying.

HERMAN J. STEGEMAN was a prep and college star in four sports and later coached them all at the University of Georgia, but he always considered track his first love. As a collegiate middle-distance runner, he was a member of the University of Chicago national champion mile relay team. At Georgia, where he served as Director of Athletics, he coached the track team from almost the moment he set foot on the campus in 1919 until a year before his death in 1939.

W.C. (BILL) FORDHAM AWARD HEAD COACH OF EACH WINNING TEAM

A handsome plaque will be presented to the head coach of the winning team in each of the five classifications. The plaque has a place for a picture. We feel sure the winning coach will want to insert a picture of his team that provided him with the plaque.

SUCCESSFUL ALUMNI

FAMOUS ATHLETES TRACE ROOTS TO GEORGIA OLYMPICS

BY STEPHEN BLACK

Pay close attention today, ladies and gentlemen. You may be watching some future professional athletes.

It is no secret that the state of Georgia produces athletes of the highest quality in many sports, and some of those athletes have taken part in these Olympics. While several Georgians have taken part in track and field in the Olympics, many others have taken their track and field backgrounds and made it to the top of their chosen fields.

Here are just a few of the Georgia Olympics alumni that used this stage to leap into highly successful careers in athletics.

CHAMP BAILEY

Known as one of the most suffocating cover corners in recent memory to many football fans, Bailey began his athletics career here in Georgia. And the Georgia Olympics played a big role in his teenage years. Bailey was so prolific with his track success that he won the H.J. Stegeman High-Point trophy for individual success in the 1996 games.

Following his career at Charlton County High School, Bailey was recruited by every major college football program in the southeast before choosing the University of Georgia. In Athens, Bailey played offense, defense and special teams, and was tremendously successful at all of them.

"We even let him drive the team bus," joked former Bulldogs coach Jim Donnan about his multi-dimensional athlete.

After finishing seventh in 1998 Heisman balloting, Bailey was drafted seventh overall by the Washington Redskins. Fourteen years later, Bailey is still dominating NFL wide receivers and has made the Pro Bowl 11 times.

REGGIE BROWN

A Carrollton High School product, Brown parlayed his enormous athletic ability into a successful career in the NFL. At the Georgia Olympics in 1998, Brown won the H.J. Stegeman trophy for the athlete with the highest point total. His 1997 Class AA record in the long jump (24 feet, nine inches) still stands. On the gridiron, Brown helped the Trojans to the 1998 state title.

After his distinguished high school career, Brown signed a football scholarship at the University of Georgia. In Athens, Brown teamed with wide receivers like Terrence Edwards and Fred Gibson to form a lethal corps of wideouts. Brown and the Bulldogs went to bowl games each year of his career and won an SEC championship in 2002.

Brown was then taken in the second round of the 2005 NFL Draft by the Philadelphia Eagles. He played for five seasons in Philly, amassing 2,574 yards and 17 touchdowns.

WILLIE GAULT

An athlete for the Griffin Bears, Gault used the Georgia Olympics platform to sprint his way to an extensive NFL career. Gault won the 110-meter hurdles in 1979, then went to Tennessee on an athletic scholarship.

In college, Gault starred in track as well as the gridiron and was one of the four members of a relay team that set a world record at the time. He qualified for the Olympics in 1980, but the U.S. boycotted them.

The Chicago Bears selected the speedy wide receiver with the No. 18 pick of the 1983 draft, and he rewarded them with five productive seasons. In 1985, Gault and his talented teammates won the Super Bowl in dominating fashion over the New England Patriots. It remains the only Super Bowl trophy in Bears history.

Gault now lives in Hollywood where he still runs track when not focusing on his acting career.

REESE HOFFA

Hoffa graduated in 1997 from Lakeside-Evans High School where he lettered in four sports: track and field, baseball, football and wrestling. With the Panthers, Hoffa won the state title in the shot put in 1996 and 1997.

After graduation, Hoffa trekked to Athens

where he starred for the Georgia Bulldogs' track and field program for four years. At UGA, Hoffa finished in the top three nationally in the shot put twice while also winning the SEC outdoors in 2001.

Hoffa has been active in the international track and field scene since his graduation from Georgia. He has won world championships in the shot put three separate times: the 2003 Pan-Am Games, the 2006 Moscow World Indoor Championships and the 2007 World Championships in Osaka. He currently resides in Athens, where he prepares for international competition.

Hoffa is considered one of the top shot-putters in the world and is a track and field legend in Georgia.

ROGER KINGDOM

A native of Vienna, Ga., Kingdom excelled in track and field in high school. In fact, he won the H.J. Stegeman award for highest

point total in 1980 and 1981 for Class AA. He still holds the class record in the 110-meter hurdles and the high jump for his performances in 1981. Kingdom also starred as a football player for the Vienna Vikings.

After his prolific stint in Georgia high school athletics, Kingdom took his skills to the University of Pittsburgh on a football scholarship. But Kingdom made his mark with the Panthers on the track, as he won national championships in the 110-meter hurdles (outdoors) and the 55-meter hurdles (indoors).

Kingdom then went worldwide with his abilities and won Olympic gold medals in the 110-meter hurdles in 1984 and 1988.

Currently, Kingdom is coaching track and field at the California University of Pennsylvania.

SHANNON SHARPE

Before he was an NFL talking head, Sharpe was running track and playing football for Glennville High School in southeast Georgia. With the Tigers, he won the triple jump competition at the Georgia Olympics in 1986 and still holds the Class A record with a leap of 48 feet, three inches. Sharpe was also the high-point champion of Class A in 1985.

After attending Savannah State, Sharpe was selected by the Denver Broncos in the seventh round. The Broncos took a chance on the little-known player from Georgia and he delivered in a big way. After 14 seasons, eight Pro Bowl selections, three Super Bowl rings and more than 10,000 receiving yards, Sharpe was elected to the Pro Football Hall of Fame in 2009.

Surprisingly, after such an accomplished playing career, Sharpe may be as well known for his analysis and commentary on television. He is currently a popular NFL commentator for CBS Sports.

JEFF SHEPPARD

In 1993, Sheppard won the state championship in the high jump for his seven-foot leap at the Georgia Olympics. The Peachtree City product also excelled on the basketball court, drawing interest from college basket-

ball powers far and wide.

The McIntosh guard chose Rick Pitino and Kentucky, where he starred from 1993-1998. There, Sheppard helped the Wildcats win national championships in 1996 under Pitino and 1998 under Tubby Smith. In addition to his team's success, Sheppard was named Academic All-SEC in 1994-95 and the 1988 Final Four Most Outstanding Player.

After college, Sheppard played briefly in the NBA with the hometown Atlanta Hawks. In 18 games during the 1998-1999 season, he averaged 2.2 points per game. He then played professionally in Italy until 2001.

Sheppard currently resides in London, Ky., where he and his wife sell corporate and sports apparel with custom logos.

HERSCHEL WALKER

Quite possibly the greatest athlete to ever come out of Georgia, Herschel was just another participant in the Georgia Olympics at one time. But even in high school, Herschel stood out. He won the 100-meter dash in 1980 and also captured the H.J Stegeman Award for total point winner back home to Johnson County.

Herschel, of course, stayed in state for college, signing with Vince Dooley's Georgia Bulldogs after an intense recruiting war. In Athens, Herschel had perhaps the best career ever by a college running back. A three-time All-American, the Wrightsville native won the Heisman Trophy in 1982 after his third season. While at UGA, the Dawgs won three straight SEC titles and the 1980 national title.

A successful NFL career netted two All-Pro honors and second place in total yardage in league history. Since his retirement in 1997, Herschel has delved into bobsledding, ballet and mixed martial arts.

OTHERS

Numerous other Georgia Olympics alumni have made their mark beyond high school athletics. Stephen Hill, for example, won the long jump in 2009 for Miller Grove. Hill then went to Georgia Tech and starred at wide receiver for the Yellow Jackets. After being drafted in the second round by the Jets,

Hill is looking forward to playing in the NFL next year. Despite being somewhat overlooked coming out of high school and even in college, the Jets have raved about his potential.

Another recent Georgia Olympian was Michael Grant of Stephenson. Grant won the state championship in the 100-meter dash two consecutive years in 2003 and 2004. He also won the Stegeman Award

in 2003 before playing football and running track at Arkansas. After college, Grant played pro football for three years.

In 1979, Freddie Gilbert won the triple jump before thriving as a college football player at Georgia. After terrorizing SEC quarterbacks, Gilbert played in the NFL for four years in Denver and then in Arizona.

So watch closely today, track and field fans: you may look back on this day and tell others about how you witnessed greatness before the rest of the world.

FINAL RESULTS OF GEORGIA OLYMPICS XL, 2011

CLASS AAAAA - BOYS

100 METER DASH

- 1. Torri Tillman, Peachtree Ridge
2. Tyreek Hill, Coffee
3. Micah Reed, Parkview
4. Devonte Lewis, Mill Creek

Time: 10.690

200 METER DASH

- 1. Alexander Reese, Lassiter
2. Torri Tillman, Peachtree Ridge
3. Brandon Thompson, Milton
4. Micah Reed, Parkview

Time: 21.200

400 METER DASH

- 1. Alexander Reese, Lassiter
2. Robert Lewis, West Forsyth
3. Martez Hester, North Cobb
4. Justin Martin, Shiloh

Time: 48.160

Because no one has to be
sidelined at school
due to a disability.

Aligned with overall educational goals
"I think this is important because it gives kids a chance to get a total education." Mike Phillips, Adaptive Sports Coordinator, Gwinnett County Schools

Regular access to health and fitness
"The program isn't enough to stay healthy. Students need regular fitness programs and inclusion at school." Joan Driscoll, 8-time Boston Marathon, Wheelchair Division winner

Promotes confidence and success
"Douglin will tell you he wouldn't have achieved many of the successes he has without AAASP." Carol Johnson, Parent, Maxwell County Schools

Jay Harn played football before his accident

He lost his ability to walk, not
the talent or desire to excel
in sport and in life
